## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1, 2 and 4 – 9 have been allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record neither discloses nor fairly teaches the recited limitations of the claimed invention including, but not limited to: the combination of features as recited including a fishing rod comprising a body, a handle end, a tip portion, at least one signal device, a battery, a control switch, and activation switch including an electrically conductive pin and an electrically conductive coil spring surrounding the pin, an electrical system, wherein the pin is in electrical contact with the spring when the body is in the flexed condition and not in contact when not flexed.
3. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
